

Thank you for attending the public information open house for the I-85 HOV to HOT Conversion Project, P.I. Nos. (0009295/0009296/0009297), the proposed conversion of approximately 15 miles of High Occupancy Vehicle (HOV) lanes to High Occupancy Toll (HOT) lanes on the I-85 corridor from Chamblee Tucker Road in DeKalb County to north of Old Peachtree Road in Gwinnett County. In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Georgia Department of Transportation (GDOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a GDOT representative. There will be no formal presentation.

You may complete a comment card and deposit it into the box provided here or send in written comments about the project until July 10, 2009. Written comments should be sent to:

I-85 HOV to HOT Project Comments
1718 Peachtree Street, NW
Suite 400
Atlanta, Georgia 30309

If you do not wish to provide a written comment, someone will be available to record your verbal statement. Comments can also be made via the project website at www.dot.ga.gov/I85HOTlanes or by sending an email to hotlanecomment@jacobs.com. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let GDOT know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the office of GDOT District 1, located at 2505 Athens Highway, SE, Gainesville, Georgia 30503 as well as the office of GDOT District 7, located at 5025 New Peachtree Road, Chamblee, Georgia 30341. A copy of all comments received will be available for public review at these same locations and at the Office of Environment/Location, 3993 Aviation Circle, Atlanta, GA 30336-1593, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact GDOT's project manager Ben Rabun, P.E. at 404-347-0185 or send an email to the project team at hotlanecomment@jacobs.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Glenn Bowman".

Glenn Bowman, P.E.
State Environmental/Location Engineer
